Re: On behalf of Esmeraldo Acosta

Dear Honorable Judge Castel,

I am writing this letter on behalf of my uncle, Esmeraldo Acosta. My father, Maximino Acosta passed away in February 2002 and I perceive Mr. Acosta as a father figure. Mr. Acosta made sure that I attended school, achieve good grades and be a prominent member of society. Through his parental guidance, I learned respect, discipline, structure and balance. He encouraged me to stay in school and not focus on friends that did not go to school. I remember the day I graduated high school like it was yesterday. Mr. Acosta told me "so, what college am I driving you". He drove me 8 hours to Buffalo in the blizzard to ensure that I arrived on time to my college orientation.

Following my father's death, resources were limited in my household; however, he provided for my whole family. Mr. Acosta taught me how to drive, ride a bicycle but overall I learned respect and work ethnics.

I have been gainfully employed over the past two years in the parking industry. As a result of the structure I learned, I am interested in pursuing a certificate in Business management for the purpose of opening my own parking garage in the near future.

2015 was a tough year for my family due to my uncles' incarceration, specifically Christmas, New Years and birthdays. I am asking for your leniency on my uncles' sentencing. Honorable Judge Castel, I already lost my father, please help my family stay together.

Sincerely,

Maximo Acosta
